Poor Quality of Imported Sugar

1862. SHRI VIREN J. SHAH:
SHRI PRAMOD MAHAJAN:

Will the Minister of COMMERCE be pleased to state:

(a) on what date STC and MMTC took a decision for import of sugar and on what consideration and from which countries with dates on which tenders were invited and contracts awarded:

(b) the estimated domestic production of sugar when a decision to import sugar was taken;

(c) the quantity and value of sugar imported by STC and MMTC from Brazil and other countries;

(d) whether imported sugar has been found to be of poor quality particularly that imported from Brazil; if so, the details thereof; and

(e) the estimated loss likely to be incurred on the sale of imported sugar at reduced rate in international market?

THE MINISTER OF STATE OF THE MINISTRY OF COMMERCE (SHRI P. CHIDAMBARAM) (a) to (e): Government directed STC & MMTC in early January, 1995 to import sugar on forward contracting. In pursuance thereof both the Corporations invited tenders during the period from Jan. '95 to middle of March, 1995 and based on the evaluation of the tenders STC & MMTC taken together concluded contracts for a quantity of 4.05 lakh tonnes as per the details given below:—

Dates of tender	STC 9.1.95, 19.1.95 30.1.95 & 15.3.95	MMTC 9.1.95 & 19.1.95
Dates of Contract	30.1.95 & 6.2.95	19.1.95, 20.1.95 & 23.1.95
Suppliers' country	USA, Germany, France U.K. & Switzerland.	U.K., Switzerland & Singapore.

The Sugar production during the sugar year 1994-95 (! Oct., '94 — 30 Sept., '95) was officially estimated to be around 118—120 lakh tonnes in Dec, 1994 and January, 1995.

Of the contracted quantity of 4.05 lakh tonnes of Sugar while one ship has arrived, no sugar has been unloaded as yet and hence the question of poor quality does not arise.

Efforts are being made by both STC and MMTC to sell the quantities contracted. The final picture regarding loss of profit will be known only after all transactions are completed.
